

# THE MANOR COLUMN

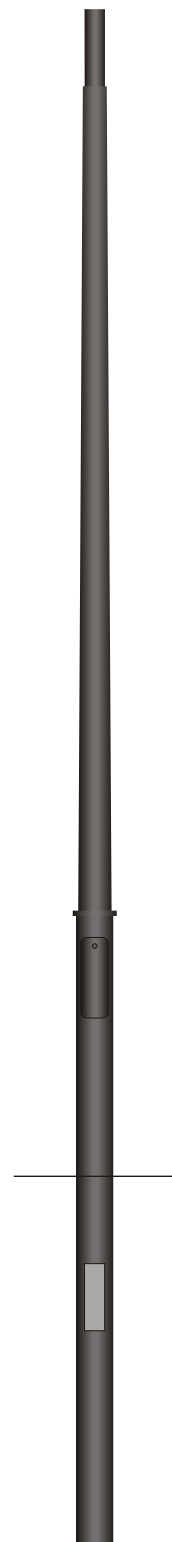

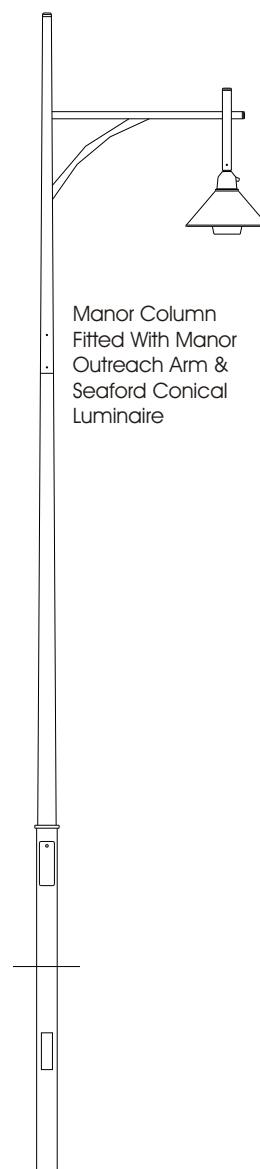

Modern lines of a round decorative base, and a tapered upper section, give the Manor Column simplicity, and appeal. Designed and manufactured to comply with Australian Standards, the Manor Column is a modern option in street lighting columns. Available as in-ground mounting, this column is suited to most luminaires in the market place.

- Manufactured To Australian Standards
- Hot Dipped Galvanised
- Available As An In-Ground Mounted Column
- Decorative Steel Transition
- Available In A Variety Of Powdercoat Painted Finish

## Applications:

Residential & Commercial Developments, Parks, & Amenity Areas, Minor Road Street Lighting.
